Prof. Mustafa Cesur

CEDA WEBINAR

NEW FRONTIERS IN DIABETES AND OBESITY MANAGEMENT:

From Novel Incretins to Changing Paradigms

CEDA-TEMD Joint Webinar

RAZIONALE

This webinar, jointly organized by CEDA and TEMD, addresses the rapid evolution of diabetes and obesity care. As emerging oral and injectable incretin therapies and updated EASD guidelines reshape clinical practice, this session brings together international experts to examine cutting-edge pharmacotherapies, shifting paradigms, and practical strategies for early complication prevention.
