

Dear Colleagues

The Executive Committee of the European Group on Graves' Orbitopathy is pleased to invite you to our upcoming EUGOGO webinars.

Each month we aim to share with you our knowledge and experience in diagnosing and treating patients with thyroid eye disease.

We hope that our selection of topics will cover your needs and provide you helpful information for your daily working life.

Looking very much forward to discuss with you different facets of this challenging disease!

Yours sincerely

Lelio Baldeschi

President of EUGOGO
